Softball Falls to #2 Seed

On a blustery day in Lancaster yesterday, the RMHS Softball team found out in a hurry what the level of play is at the top of CIF Division VI Softball.

Outmatched from the beginning, the Lady Rattlers struggled to make contact against a very good pitching staff from Paraclete. The Spirits strength was not just from the mound, though, as they pounded the ball in route to a 16-0 win. The loss, although not unexpected based on tournament seeding, was a real eye-opener for the RMHS girls. Always looking for the silver-lining, Coach Glackler reminded the girls afterward that they have now seen the level needed to be successful in the CIF Playoffs. Congratulations to our Lady Rattlers for making the playoffs in their first season of varsity play!
