

Great Trip...Not Great Outcome

Boys Soccer Loses to #1 Ranked Coronado

BOYS SOCCER

Outgunned at every turn, The RMHS Boys Soccer team found out the hard way what it is like to play in a State-level playoff game. Coronado HS, ranked #1 in Div IV, jumped out early and scored often, building a 6-1 lead at halftime. Eventually, the Islanders topped the Rattlers 9-1. Our boys never stopped competing and kept trying to break through but they were simply outmatched throughout. RMHS can hold their heads high, though, as they became the first team in Rattler history to advance to the state playoffs. No shame here for the mighty Rattler as they (again) finish their season, falling to a #1 seed. Coronado had 14 seniors, RMHS 0.

Go Rattlers!
