

Coach Tyrone Robinson is excited for the upcoming 2020 football season. He has been with the Rattlers since 2016, serving as offensive coordinator and quarterback coach for the freshmen as well as the head coach for JV in 2019. Coach Robinson has been coaching at RMHS since the school opened in 2013 as a basketball coach and he has also been the head track coach since 2015.

In addition to his Rancho Mirage experience, Coach Robinson has been involved in athletics since a very young age. At Palm Springs High School he was a three-sport athlete and went on to play three sports at College of the Desert as well as playing football for Coach Roman Gabriel and running track for Hall of Fame Coach Jim Sackett at Cal Poly Pomona. While attending Cal Poly Pomona he began returning to the desert to coach receivers at PSHS.

After college, Coach Robinson coached track and field at Cal Poly Pomona for three years under Coach Sackett. Coach Robinson coached wide receivers at College of the Desert from 1988-1990, which included winning the Southern California Bowl in 1989. In 1994 he began coaching football at Cathedral City High School. From 1994 to 2014 Coach Robinson coached football, basketball and track during various seasons and at all levels. In football he began as the freshmen head coach and eventually became the varsity offensive coordinator.

Coach Robinson is happy to continue working with the coaching staff and student athletes at RMHS. He looks forward to continuing to help students learn the game of football as well as helping them to become productive members of the Rancho Mirage High School community.
