COURSE SELECTION PROCESS 2021-2022

Attention Rattlers: The counseling department will be working virtually to complete the 2021-2022 course selection process. Please use the [RMHS website counseling pages](#) and the [RMHS Grade Level Google Classrooms](#) for full information and updates. **Each student will be required to:**

- 1) Complete a Google Form for course selections**
- 2) Watch the grade-level presentation**
- 3) Meet with their counselor for a 1:1 conference**

Students must share course selections and information with their parents, and students must complete any other required applications or forms to be considered for academies, programs, or specified courses. Students must meet the deadlines of all applications, forms, and the course selection process.

All course selections are based on availability and are subject to change. Please review the course catalog and reach out to the designated staff member for specific information about a course.

Summer school registration will occur in February and is determined by availability and eligibility. Summer school applications must be completed within the time frame for consideration.
