Rancho Mirage High School will be offering a Driver's Education course for Quarters 1 & 4. The class will meet DAILY during seventh period (3:10 – 4:00 p.m.) in room 665. **Q1 class begins August 10, 2020 & Q4 class begins March 22, 2021.** Due to the required material to be covered within this course, if a student misses 3 class periods, they will be dropped with a "WF" grade and receive no credit.

Upon satisfactory completion of the Driver's Education Course, students will be issued a certificate that must be presented to the Department of Motor Vehicle (DMV) in order to be issued a government provisional driver's permit.

The DMV requires that students meet the following when they apply for their driver's license:

- 16 years old
- Have held your CA instruction permit for a minimum of 6 months.
- Completed this driver's education course or one similar to this course.
- Completed 6 hours of driving school (behind the wheel). RMHS does not offer this course.
- Completed 50 hours of practical driving with a licensed adult. (10 hours must be night driving).

I have read the above statement and understand what my child is required to do in order to receive the 2.5 credits for this course and to apply for a government provisional driver's permit.

The Driver's Education Course will be filled on a first come, first serve basis. Students must return this form to the counseling department ASAP to be considered for enrollment. Spots are limited
