

CIF CHAMPS!

NOVEMBER 13, 2016

Fall CIFSS Playoff Update #8

RANCHO MIRAGE HIGH SCHOOL

The **Lady Rattlers** have become the first team in RMHS history to win a CIF Title.

Showing that they are not afraid of the moment, the Girls Tennis team took an

early lead against Hemet in the CIF Division V Finals and never looked back. They continued to get production from all aspects of the lineup, with each position scoring at least one victory.

As the afternoon progressed, it was clear that RMHS was the better team and the Title would be theirs if all went according to plan. That plan, however, was in danger at the start of the third rotation when all three doubles teams were losing early. As they have done throughout the playoffs, though, the Lady Rattlers stormed back to win all three to seal the victory behind solid play from the singles side, led by Tatiana Harvey who remained unbeaten on the season.

The Rattlers advance to the **CIF Div 12 quarterfinals** with an impressive 42-8

victory at home last week v. Los Amigos. The win puts the Rattlers into the quarterfinals for the second consecutive year. **They will play at Hillcrest** (River Valley #2).

Game time will be 7:30pm on Friday, 11/18/16.
