

I'm looking forward to my second year of coaching football at Rancho Mirage High School. Prior to coaching at Rancho Mirage I began my passion for coaching as a Junior All-American coach in Desert Hot Springs.

I was born and raised in the Coachella Valley, and have lived in Desert Hot Springs my whole life. The things that I was taught as a youth playing football and other sports I now transfer into my coaching skills.

I started my football career at Desert Hot Springs High School under Coach Matthews. I played quarterback on a team that went 7-3 and a CIF playoff berth. Also I was 1st team All De-Anza league and offensive MVP.

After I graduated I went on to play at College of the Desert. Unfortunately, that's when I had an unexpected injury that halted my career as a player and started my career as a coach.

I'm excited about what this program is starting to become and I see nothing but great things in the future. GO RATTTLERS!
