

MISSION STATEMENT

MUSICAL THEATRE UNIVERSITY provides advanced, comprehensive, pre-professional training in the craft of Musical Theatre to talented and motivated young people with aspirations for careers in theatre in a small, safe and nurturing environment.

CORE VALUES

- **MUSICAL THEATRE UNIVERSITY** is committed to maintaining a small, intensive, nurturing musical theatre training program with the highest level of individual instruction and professional level performance and exhibition opportunities for every student.
- **MUSICAL THEATRE UNIVERSITY** celebrates diversity and is committed to artistic integrity and the freedom of creative expression in all endeavors.
- **MUSICAL THEATRE UNIVERSITY** respects the dignity and value of each individual and conducts all instruction, business and activities in a moral, ethical and professional manner.
- **MUSICAL THEATRE UNIVERSITY** provides students with professional level instructional and performance opportunities under the direction of professional working artist-teachers in preparation for successful entry into both institutions of higher education and/or careers in the professional theatrical industry.
- **MUSICAL THEATRE UNIVERSITY** is committed to an instructional and performance based program that is innovative and "state of the art". It provides students with unique and cutting edge tools, techniques and opportunities.
- **MUSICAL THEATRE UNIVERSITY** is committed to an environment that fosters and inspires the creative spirit, passion and vision of students, faculty and administration.
- **MUSICAL THEATRE UNIVERSITY** believes that a positive educational experience for its students must be the principal and highest consideration in all organizational decision making and development., The best interest of the students always comes first!
