Baseball and Softball

Rattlers dreams of a DAL Championship are still alive for both baseball and softball as the final week begins play on Tuesday. The Rattlers will host (Tues) and the travel to (Thurs) 29 Palms to finish their regular seasons. Baseball is just one game back with two to play but two teams (YV and 29) are ahead of them so they need some help. Softball has a lock on second place but could still get at least a share of the title with a little help as 29 Palms attempts to knock off leader YVHS. Playoff pairings announced this weekend!
